## PRESIDENT'S REPORT

It has been a relatively quiet but enjoyable 2024/25 season at Girraween Little Athletics.

This year, we were not required to host any inter-centre carnivals, which gave us the opportunity to focus on simply attending and enjoying events hosted by other centres. Congratulations to all our athletes who participated in these carnivals—many achieved personal bests (PBs), and once again, Girraween shone brightly, taking home both the Holroyd Shield and the Garth Robinson Inter-Centre Challenge. Well done!

A huge thank you goes to our dedicated committee for the countless hours they put in behind the scenes each week. We are also incredibly grateful to our coaches, age managers, and parent helpers, who play vital roles in making our Friday nights run smoothly—from track setup and timing, to running the canteen, BBQ, and other essential duties. It was encouraging to see so many parents stepping up to support the club this season.

This year, we were excited to welcome Simon Stewart to the club as both a coach and committee member. Simon has brought a wealth of experience and knowledge, especially with the introduction of regular javelin coaching. Interest in the event grew rapidly, and we were thrilled to have eight athletes represent Girraween in javelin at the State Championships. With Simon's continued guidance, we look forward to expanding our javelin program in the seasons to come.

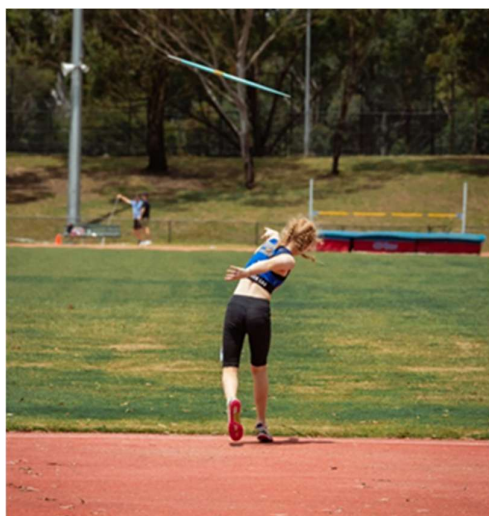

We were fortunate to hold 22 competition nights this season, with only one washout. Unfortunately, the ground was closed early before Christmas due to council restrictions, and the post-holiday reopening was delayed due to ground works. Nonetheless, we made the most of the time we had.

We would also like to extend our sincere thanks to our returning sponsors, Active West Physiotherapy and All Hills Fencing. Your continued support is invaluable to the success of our centre.

Finally, congratulations to the 46 athletes who qualified to represent Girraween at the State Championships at Sydney Olympic Park. Your hard work and achievements have made us all very proud.

Here's to another successful season ahead!

*Karen Farrugia*

## REGISTRAR'S REPORT

For the 2024/2025 season, we proudly registered a total of 475 athletes with our centre. This year, we saw remarkable participation across various age groups, showcasing the dedication and enthusiasm of our young athletes.

## SECRETARY'S REPORT

The 2024–2025 season has been another fantastic year for our club. It's always a joy to see our athletes turning up each week with enthusiasm, determination, and a love for the sport. From our youngest participants to our seasoned athletes, everyone has shown great sportsmanship and commitment throughout the season.

Friday nights continue to be a highlight — not just for the competition, but for the sense of community they foster. Whether it's cheering on a friend at the finish line, sharing a laugh during warm-ups, or grabbing a quick bite from the canteen, the friendships and memories being made each week are what make this club so special.

Personally, I loved being in the role of Age Manager for the Tiny Tots this season. Watching their confidence grow week by week was such a joy. The best reward came during the final session — warm hugs from the kids and their sweet comments about how much they'll miss Friday evenings made it all truly worthwhile.

I'd like to extend a heartfelt thank you to our wonderful Committee. The dedication, time, and energy you all put in behind the scenes is what keeps things running smoothly. A special thanks also to all the parent volunteers — your help on the field and in the canteen every week truly makes a difference. I look forward to seeing what the next season brings and continuing to support this incredible club and its amazing community.

A huge thank you to all those who helped on us this season – whether it is barbeque, canteen, setup, age managing, you all make a huge difference to our ability to run the competitions, training na carnivals. Thanks to all the committee who continue to assist in the governance and running of the club, the life members who continue to provide support and guidance (sometimes only in the background). The two challenges for us this season were that we are now paying for line marking – the work and family lives of the committee make it impossible for us to continue to do undertake this task ourselves, and the changing structure of fees for carnivals since the partnership came into effect – both of which have increased costs. We shall see what the new season brings.

## COACH'S REPORT

With a limited number of coaches, we did our best to offer as much support as possible to our athletes in the early weeks of the season—getting everyone back into the rhythm of training and helping our younger athletes learn the ropes of their events.

As the season went on, we had to focus our training sessions on athletes competing at zone, region, and state levels. This allowed them to hone their techniques and maximize their chances of success in competition.

We're proud to share that 46 athletes qualified for state in the 2024–2025 season—a fantastic achievement!

A massive thank you to all our coaches who generously gave their time to run training sessions. Without their dedication, we simply couldn't offer the level of support we do.

We were also lucky to welcome Simon Stewart to the Girraween team as a throws coach, with a focus on Javelin. Interest in this event grew significantly, with a large group of athletes competing at zone and 8 athletes progressing to state. We're excited to keep building on this momentum into the 2025–2026 season.

Training has already begun for Cross Country, and all athletes are welcome to join in to maintain their fitness. We hope to see you there on Monday nights at 6 PM!

## CHAMPIONSHIP'S REPORT

The 2024/2025 season has been a year of remarkable achievements and significant milestones for the Girraween Little Athletics Centre.

Our athletes have had an outstanding year, secured the Holroyd Shield, and retained the Garth Robinson Shield through remarkable performances. The Holroyd Shield victory was a testament to the dedication and skill of our athletes, supported by enthusiastic parents who contributed to the event's success. Similarly, the Garth Robinson Shield showcased our club's strength, with athletes excelling in the point score event, contributing to our overall standing. We extend our heartfelt thanks to all participating athletes, parents, and age managers for their invaluable assistance and involvement, which greatly contributed to the high level of participation and success at both carnivals.

We continued our success at the Mid-West Zone Combined carnival, where 70 of our athletes gave their all. Among them, 25 athletes finished in the top three for their age groups, showcasing their dedication and skill. A special shout-out goes to Deaisu Surendrakumar, who set a new Personal Best with 2,819 points for 11's Girls.

Our athletes showcased their strength and determination at the Valour State Relay Championships, competing against the best in the state. All four teams secured top 10 finishes, with the Girls Open Race Walk Relay team earning a bronze medal. The Boys 13's Throws Relay team achieved 6th place, while both the Boys 14's and Boys 15's Throws Relay teams finished in 8th place. These results highlight the dedication and skill of our athletes, as well as the support from coaches and parents.

As we headed into the second half of the season, we had 197 athletes qualify for our annual centre championships. Throughout the day, an impressive 291 Personal Bests were recorded, showcasing the dedication and hard work of our athletes. We extend our heartfelt thanks to the athletes who participate week in and week out, and to the parents who volunteer their time to help their athletes qualify and compete in the event.

Like previous seasons, we had strong participation and performance across the Zone, Regional, and State Championships. A total of 171 athletes participated in the Zone Championships, 113 at the Regional Championships, and 25 competed across the two weekends of the State Championships. Across all three events, our athletes placed in the top 10 and set new personal bests. Reaching the pinnacle of competitions, five of our athletes competed at the National Championships in Perth, achieving remarkable results.

Breeanna Williams secured 2nd place in the U18 Girls 3kg Hammer Throw with a personal best of 51.62m, representing Sunderland Athletics Centre. Jack Gale achieved 6th place in the U14 Boys Javelin with a personal best of 33.72m. Laura Corvalan Sotomayor finished 11th in the U18 5000m Race Walk with a personal best of 31:49.88. Ashleigh Farrugia placed 10th in the U15 3000m Walk, and Lachlan Kidd secured 6th place in the 1500m U14 Boys with a time of 4:22.88.

The 2024/2025 season has been an overwhelming success for the Girraween Little Athletics Centre. The achievements of the athletes, the breaking of numerous long-standing records, and the strong team performances are a testament to the hard work, dedication, and talent within the club. The support of the club officials, team managers, and parents has been invaluable in fostering this environment of success. As the season concludes, the club looks forward to building on these achievements and reaching new heights in the 2025/2026 season.

## CENTRE MERIT AWARDS

Athletes receive a point for each event they compete in and an extra point for a personal best performance in the weekly competitions and the Centre Championship. Points are also doubled after Christmas, except for the Centre Championship. Athletes can also receive up to 10 points for taking part in the Holroyd Shield and the Garth Robinson Inter centre challenge. To score well, athletes need to regularly attend the weekly competition, participate in as many of their events as possible, perform consistently and take part in the Centre-supported carnivals. Athletes who gain over 50 points throughout the season are eligible for a placing in the centre merit awards.
